

Electrical / Mechanical/Technical Engineering Background;

- 6 years as serving Director On Water
- Vice Commodore 2020
- 50 years of Industrial Management
- Have held the positions of Plant Manager, Operation Improvement Manager, Vice President and President of large US and Canadian companies.
- President of Condo Board
- Currently Independent Industrial Improvements Consultant

I have worked with both large and small groups of multinational companies resolving complex issues and providing coaching to employees.

My responsibilities also involved auditing, investigating all non-compliant conditions.
